DAVID CAELUS

Age: 42

Occupation: Founder & CEO

Degree: Mechanical Engineering

Hobbies: Reading, creative writing, meditation, playing the violin

About me: I have an incredible passion for learning new things and applying the tools of Mathematics and Science to solve problems. With my company, I aim to leverage the best engineers and businesspeople to design and deliver cost-effective solutions in domains such as agriculture and embedded systems

Favourite food: ramen

SARAH JENKINS

Age: 31

Occupation: Project Manager

Degree: Mechanical/Manufacturing Engineering

Hobbies: Baking, cooking, watching TV shows

About me: I'm lead an incredible team of engineers that develop our microprocessor applications. I'm passionate about bringing qualities of empathy and compassion to my leadership. In my spare time I watch way too much TV, it's a guilty pleasure...

Favourite food: sushi

ALBERT SMITHFIELD

Age: 38

Occupation: Lead Engineer

Degree: Mechanical Engineering (Hons)

Hobbies: camping, duck herding, drone photography, cycling

About me: I'm capable and determined, and have had a lifelong passion for realizing my ideas with mechanical systems. I love to know how things work and enjoy tinkering with things. In my spare time I enjoy camping and I must admit, I'm a big fan of Donald Trump.

Favourite food: oranges & dough balls

ALYX HAMILTON

Age: 33

Occupation: Systems Engineer

Degree: Bachelor Electronic Systems & Security Engineering

Hobbies: Pilates, watching Law & Order, travelling

About me: I'm a systems engineer, with a background in electronic systems. Previously I have worked in developing embedded projects and enjoy the challenge of technical problem solving. I have also taken up Pilates recently and am obsessed with Law & Order: SVU.

Favourite food: chocolate

BELINDA CORRIGAN

Age: 38

Occupation: Business Analyst

Degree: B.Arts/B.Commerce

Hobbies: reading, blogging, recycling, cooking, relaxing

About me: I absolutely love reading. My favourite genre is Sci Fi, but I'll happily read anything! I believe that reading enriches the mind and that knowledge accrues over time like compound interest. I particularly love the Brain Pickings blog, I find a lot of reading recommendations there. My star sign is Capricorn.

Favourite food: blueberry muffins

MICHAEL HARRIS

Age: 46

Occupation: Senior Business Analyst

Degree: Bachelor Commerce

Hobbies: Bushwalking, surfing, guitar

About me: I work as a Business Analyst to deliver increased shareholder value, perform market analysis and oversee cost estimations. I can usually be found bushwalking or surfing on weekends and have recently taken up learning the guitar.

Favourite food: rice pudding

JONATHAN CONWAY

Age: 25

Occupation: Software Engineer

Degree: Computer Science

Hobbies: Surfing, board games, bouldering

About me: I'd love to make my first million by the time I'm 35. In my spare time I play DND, love to surf before work and occasionally get to the gym. I am also constantly listening to podcasts – ask me for some recommendations

Favourite food: acai bowls

PETE FRANKELTON

Age: 44

Occupation: Operations Manager

Degree: B.Sci Hons/Masters Sci

Hobbies: Running, hiking, lawn bowls, sports administrator

About me: I'm an operations manager with varied and diverse career experience. I have worked in numerous companies to deliver large scale projects in the transport and telecommunications sectors. This year, I'm looking to run my sixth marathon and in my spare time work as a sports administrator for local lawn bowls competitions. I'm married and have four amazing children.

Favourite food: burgers
